MEMORANDUM FOR: Chief, NSA-75

THROUGH: Chief, NSA Liaison Staff, OCI

25X1A9a

SUBJECT: Recall of [REDACTED]

1. The pressure of additional priority commitments has compelled us to examine several positions with a view towards determining the most feasible use of available manpower. We feel that the assignment of [REDACTED] as OHR Liaison Representative to NSA has had a very salutary effect on OHR's work in COMINT and has resulted in a greater understanding, rapport, and appreciation of mutual problems between NSA-75 and OHR personnel. However, since the necessary close contact has been established between NSA-75 and OHR counterparts, the assignment of a full-time OHR liaison representative to NSA seems less essential than formerly. Consequently, we have decided to recall [REDACTED] to undertake a new priority assignment and do not contemplate a replacement for him at the present time.

2. OHR is still most appreciative of the work of NSA-75 and expects to continue as a primary consumer. If existing pressures subside and a definite need for a full-time OHR liaison representative again becomes apparent, we shall, of course, nominate a replacement for [REDACTED]. In the interim, any problems which cannot be worked out between NSA-75 and OHR counterparts should be referred to [REDACTED], Chief, Support Staff, EBA, OHR.

3. We are most grateful to you and your associates for the assistance provided [REDACTED] in the performance of his liaison duties. It has indeed been a very successful venture.

MEMORANDUM FOR: Assistant Director, Current Intelligence

SUBJECT: Recall of ORR Liaison Representative Attached to the NSA Liaison Staff, OCI

1. The pressure of additional priority commitments as well as an assessment of ORR's role vis-a-vis NSA over the past year have led us to a decision to recall [REDACTED], 25X1A9a ORR Liaison Representative attached to the staff of the Chief, NSA Liaison Staff, OCI. [REDACTED] assignment has had a very 25X1A9a salutary effect on ORR's work in COMINT and has resulted in a greater understanding, rapport, and appreciation of mutual problems between NSA and ORR personnel. However, since the necessary close contact has been established between NSA and ORR counterparts, the assignment of a full-time ORR representative to NSA seems less essential than formerly. Consequently, we do not presently contemplate a replacement for [REDACTED] 25X1A9a

2. If existing pressures subside and a definite need for a full-time ORR liaison representative again becomes apparent, we 25X1A9a would, of course, wish to nominate a replacement for [REDACTED]. In the interim, it is requested that any and all NSA matters pertaining to ORR be brought to the attention of [REDACTED] Chief, Support Staff, ERA/ORR. 25X1A9a

3. We are most grateful to the members of your staff, particularly Messrs. [REDACTED], for their assistance to [REDACTED] in the performance of his liaison duties. It has indeed been a very successful venture.
